EDUCATION

RESIDENCY IN REFRACTIVE AND OCULAR SURGERY

Wang Vision Institute, Nashville, TN, Indiana University School of Optometry –June 2006

DOCTOR OF OPTOMETRY

University of Missouri-St. Louis College of Optometry, St. Louis, MO – May 2005

BACHELOR OF SCIENCE IN BIOLOGICAL SCIENCES

DOUBLE MAJOR IN SPANISH

Oklahoma State University, Stillwater, OK – May 2001

PONTIFICIA UNIVERSIDAD CATÓLICA MADRE Y MAESTRA, SANTIAGO, DOMINICAN REPUBLIC

June 2000 – July 2000

PROFESSIONAL CLINICAL EXPERIENCE

WANG VISION INSTITUTE AND LASER MEDSPA	NASHVILLE, TN	6/06-PRESENT
Clinical Operations Manager, Residency Coordinator, Staff Optometrist, Assistant Director, WVI Laser MedSpa. Consultations and post-operative care for refractive and corneal surgery patients, including LASIK, PRK, CK, PTK, Intralase-Intacs, artificial cornea implantation, penetrating keratoplasty. Complicated Gas Permeable contact lens fittings. Educational coordination (COPE approvals, lecturing, fellowship program with UT, Memphis)		
AMO VISX S4/IR CERTIFICATION	NASHVILLE, TN	4/08
WANG VISION INSTITUTE	NASHVILLE, TN	7/05-6/06
Residency in refractive and ocular surgery		
EBLING EYE CARE	HOUSTON, TX	1/05-5/05
Externship in contact lenses and keratoconus		
EYE CENTER OF TEXAS	HOUSTON, TX	2/05-5/05
Externship in ocular disease, surgical management, and refractive surgery		
ST. LOUIS COMMUNITY SERVICES	ST. LOUIS, MO	10/04-12/04
Externship in geriatrics and primary care with some examinations in Spanish		
CARL ALBERT INDIAN HEALTH SERVICES	ADA, OK	8/04-10/04
Externship in ocular disease and surgical management		
UNIVERSITY OF MISSOURI-ST. LOUIS	ST. LOUIS, MO	7/04-8/04
Externship in contact lenses, pediatrics, binocular vision, and vision therapy		
OPTOMETRIC CENTER	ST. LOUIS, MO	5/04-7/04
Externship in primary care, ocular disease, geriatrics, and low vision		
RESLER-KERBER OPTOMETRY	FLORISSANT, MO	6/02-2/04
Optometric technician		

UNIVERSITY OF MISSOURI-ST. LOUIS
Receptionist for the University Eye Center

ST. LOUIS, MO

8/01-5/02

TEACHING EXPERIENCE

COURSE INSTRUCTOR, WANG VISION INSTITUTE. Quarterly continuing education courses given for area optometrists and ophthalmic technicians. 7/05-PRESENT

COURSE CO-INSTRUCTOR, AMERICAN ACADEMY OF OPTOMETRY. Continuing education courses given for AAO. 12/06, 10/07

ADJUNCT INSTRUCTOR, INDIANA UNIVERSITY SCHOOL OF OPTOMETRY, BLOOMINGTON, IN.
9/07-PRESENT

PUBLICATIONS

Optimizing Success With Irregular Cornea Patients, Part 1. Edward Bennett, OD, MSED, Shawna Hill, OD, FAAO, Robert Grohe, OD. *Contact Lens Spectrum*. June 2008.

Fitting the Irregular Cornea (Part II). Shawna Hill, OD and Ed Bennett, OD, MSED. *Review of Cornea & Contact Lenses*. October 2007.

Technique for IntraLase Femtosecond Laser Lamellar Channel Creation and Intacs Insertion for the Treatment of Keratoconus and Pellucid Marginal Degeneration. Shawna L. Hill, OD, et al. *Techniques in Ophthalmology* 4(4): 149-155, 2006.

TEXTBOOK CHAPTERS

Wang's LASIK Complications. Shawna L Hill, OD, Tracy Swartz OD, MS, FAAO, Ming Wang, MD, PhD. *LASIK & LASIK Complications*, Robert Pinelli, Editor. Jaypee Brothers Medical Publishers (P) LTD, New Dehli, 2008.

3-D Stereo Corneal Topographic System – the AstraMax System. Ming Wang, MD, PhD, Shawna Hill, OD, Tracy Swartz, OD. *Corneal topography: Guide for clinical Application in the Wavefront Era*, Ming Wang, Editor. Slack, Inc, 2006.

PRESENTATIONS AT SCIENTIFIC MEETINGS

A Pharmacological Solution for Laser Over-correction. Sztipanovits D, Boerman H, Hill S. Multimedia presentation, SECO International, Atlanta, GA, March 2009.

Who would have guessed it was Thygeson's? Hill S, Winton T, Sztipanovits D, Boerman H. Multimedia presentation, SECO International, Atlanta, GA, March 2009.

Boston Keratoprosthesis: Alternative for Poor Prognosis Penetrating Keratoplasty. Boerman H, Hill S, Sztipanovits D. Multimedia presentation, SECO International, Atlanta, GA, March 2009.

Medical Management of Surgically Induced Corneal Irregular Astigmatism. Boerman H, Hill S, Sztipanovits D. Multimedia presentation, SECO International, Atlanta, GA, March 2009.

Management of Angle Closure Glaucoma Following Visian Lens Implantation. Swartz T, Hill S, Boerman H,

- Wang M. Poster, American Academy of Optometry, Anaheim, CA Oct 2008.
- Ocular Response analysis Results Following Unsatisfactory LASIK. Swartz T, Boerman H, Hill S, Wang M. Poster, American Academy of Optometry, Anaheim, CA Oct 2008.
- Breakthrough Keratitis Following PRK. Boerman H, Swartz T, Hill S. Poster, Congress of the American Optometric Association, Seattle, WA, June 2008
- Stromal Melt Over Incisions with Patients With INTACS. Swartz T, Hill S, Boerman H, Wang M. Multimedia Poster, SECO International, Atlanta, GA, February 2008.
- Topographic Indicators: Avoiding Ectasia with Advanced Technology. Swartz T, Hill S, Boerman H, Wang M. Multimedia Poster, SECO International, Atlanta, GA, February 2008.
- INTACS/Femtosecond Laser Surgery Combined with Conductive Keratoplasty: An Alternative to Penetrating Keratoplasty for Severe Keratoconus. Boerman H, Hill S, Swartz T. Multimedia Poster, SECO International, Atlanta, GA, February 2008.
- INTACS/Femtosecond Laser Surgery Combined with Conductive Keratoplasty for Severe Keratoconus. Shawna L. Hill, OD, FAAO; Helen Boerman, OD, FAAO; Tracy Swartz, OD, MS, FAAO; Ming Wang, MD, PhD. Poster, Global Keratoconus Congress, Las Vegas, NV, Jan 2008.
- Corneal Imaging Technologies Involved in Forme Fruste Keratoconus Criteria. Shawna L. Hill, OD, FAAO; Tracy Swartz, OD, MS, FAAO; Ming Wang, MD, PhD. Poster, Global Keratoconus Congress, Las Vegas, NV, Jan 2008.
- INTACS/Femtosecond Laser Surgery Combined with Conductive Keratoplasty: An Alternative to Penetrating Keratoplasty for Severe Keratoconus. Boerman H, Swartz T, Hill S. Poster, American Academy of Optometry, Tampa, FL, Oct 2007.
- Hexagonal Keratotomy: A Case Report. Shawna L. Hill, O.D., Tracy Swartz, O.D., MS, FAAO, Ming Wang, M.D., PhD. Poster, American Academy of Optometry, Denver, CO, Dec 2006
- CRT Modified Host Response To Microbial Infection. Shawna L. Hill, O.D., Tracy Swartz, O.D., MS, FAAO, Ming Wang, M.D., .PhD. Poster, American Academy of Optometry, Denver, CO, Dec 2006
- Management of Ectasia S/P Radial Keratotomy. Tracy Swartz, OD, MS, FAAO; Helen Boerman, OD; Shawna Hill, OD. Poster, American Academy of Optometry, Denver, CO, Dec 2006.
- Surgical management of irregular astigmatism using CIPTA. Tracy Swartz, OD, MS, FAAO; Shawna Hill, OD. Poster, American Academy of Optometry, Denver, CO, Dec 2006.
- Increased Incidence of Epithelial Ingrowth in Flap Relifts versus Flap Recuts. Shawna L. Hill, OD; Helen Boerman OD; Tracy Swartz OD, MS, FAAO; Ming X. Wang, MD, PhD. Poster, American Academy of Optometry, San Diego, CA, Dec 2005.
- Epithelial Ingrowth: Clinical Pearls for Prevention, Detection & Management. Shawna L Hill, OD, Helen Boerman, OD; Tracy Swartz, OD, MS, FAAO; Ming Wang, MD, PhD. Multimedia Poster, SECO International, Atlanta, GA February 2006.
- Increased Incidence of Epithelial Ingrowth in Flap Relifts versus Flap Recuts. Lav Panchal, MD; Shawna L. Hill, OD, Helen Boerman, OD; Tracy Swartz, OD, MS, FAAO; Ming Wang, MD, PhD. Multimedia Poster, ASCRS, San Francisco, CA March 2006.

LECTURES

11/08	Wang Vision Institute, Nashville, TN	Phakic IOL for Surgical Correction of Nearsightedness (COPE)
7/08	Wang Vision Institute, Nashville, TN	Nutraceuticals (COPE) and Glaucoma, Ectasia, Keratoconus, and Ocular Response Analyzer (COPE)
3/08	Wang Vision Institute, Nashville, TN	Contact Lens Methodology (NCLE, JCAHPO)
1/08	Wang Vision Institute, Nashville, TN	Update on Diabetes Mellitus (COPE)
10/07	American Academy of Optometry, Tampa, FL Tracy Swartz, OD, MS, FAAO and Shawna Hill, OD	Irregular Astigmatism (COPE)
7/07	Wang Vision Institute, Nashville, TN	Post-operative management of Surface Ablation (COPE)
4/06	Wang Vision Institute, Nashville, TN	Optimizing Visual Potential for your patients using Gas Permeable Lenses (COPE)
12/06	American Academy of Optometry, Denver, CO Tracy Swartz, OD, MS, FAAO and Shawna Hill, OD	Irregular Astigmatism (COPE)
10/06	Wang Vision Institute, Nashville, TN	Contact Lenses (JCAHPO)
3/06	Wang Vision Institute, Nashville, TN	Gas Permeables for Irregular Astigmatism (COPE)
12/05	Wang Vision Institute, Nashville, TN	Irregular Astigmatism (COPE)
10/05	Indiana University School of Optometry	Refractive Surgery Options

ACADEMIC AND PROFESSIONAL AFFILIATIONS

American Optometric Association, Member 2005-Present
Cornea and Contact Lens Section, Member 2006-Present
Cornea and Contact Lens Anterior Segment Committee, 2006-Present

Tennessee Optometric Association, Member 2007-Present

Middle Tennessee Optometric Society, Member 2005-Present

Gas Permeable Lens Institute Advisory Committee, 2006-Present

Fellowship, American Academy of Optometry, 2007-Present

Optometric Council on Refractive Technology, Member 2007-Present

SVOSH

President 2003-2004, Secretary 2002-2003, Member 2001-2005

Optometric mission to Morocco, 3/04
Optometric mission to Panama, 9/03

AOA-PAC, Student Member 2001-2005

Missouri Optometric Association, Student Member 2001-2005

Sprint for Sight Committee and Co-chair, 2003-2004

Alpha Phi Omega Service Fraternity, Oklahoma State University, Member 1998-2001
Pledge Trainer 2001, Membership Vice President 2000

SPECIAL RECOGNITION

American Optometric Association Leadership Award, 2004

Beta Sigma Kappa, 2002-2005

Kansas Reciprocal Scholarship, 2001-2005

Golden Key National Honor Society, 2000-2001

Dean's Honor Roll, 1999, Fall 2000, Spring 2001

LICENSURE

Tennessee Licensure, 7/05-Present

TMOD, 4/05

Part III, 4/05

Part II, 12/04

Part I, 8/03
